**Livorno Covid-19 Mitigation Measures:** We're promoting CruiseHealth™ on your vacation. We highly recommend you to wear face masks when going ashore, washing your hands regularly, wearing a face-covering indoors when in elevator, gangways and water shuttles, maintaining social distance by avoiding large gatherings and busy places. KN95 (FFP2) masks are mandatory to enter selected public venues and on public transportation, including Princess Shore Excursions, as outlined by Italian local guidelines, so we highly recommend to have them on hand. Stay Safe and Healthy!

**Important Notification:** Remember to bring your **Ocean Medallion™**, **Passport**, **Proof of Covid-19 vaccination** with you when going ashore. Do not accept or bring aboard any parcels or packages from strangers. Before boarding, you may be asked by Princess security staff to open parcels or handbags. Please take extra precaution with your personal belongings when going ashore!

**Security Screening:** All guests returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Guests with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

**Shuttle Service:** A shuttle bus service will be operated by a local company for guests with no Princess shore excursion. The shuttle bus drop off/pickup location is Via Cogorano, which is approximately 15 minute drive. The service will commence at 7:00 am, with last bus returning to the ship at 6:00 pm. The tickets will be available for purchase at the terminal, the price is 5.00 Euro round trip per person.
